

The background of the slide is a repeating pattern of teal line art depicting various botanical elements, including leaves, stems, and seed pods. A white rectangular box with a thin teal border is centered on the slide, containing the date and title.

Ipad & stand

Lapel mic

Ring Light with

Softbox Light

Greenscreen

Toolkit Items: Industry Approved

"I think that would be a fantastic little kit for the libraries... Green Screen and the ESDDI Softbox lights are great. I use those lights filming actor reels, they are handy and easy to use....the ipad mini is probably the best bang for the buck... (the Neewer Ring Light) is a great unit that I've used many times and its sturdy design means it will last. It's rugged enough to move around with events or whatever." ~ *studio cameraman and freelance filmmaker*
